CTFS Volunteer Alliance Celebrates its 25th Anniversary
VA25 Community Partnership Programme Amplifies Community Impact through Collaboration

(23 November 2026 ─ Hong Kong) CTF Services Limited ("CTFS" or the "Group"; Hong Kong stock code: 659) is celebrating the 25th anniversary of the "CTFS Volunteer Alliance" ("Volunteer Alliance", formerly known as the "NWS Volunteer Alliance"), its corporate volunteer team. To mark this milestone, the Group recently hosted a celebration with volunteers, community partners, care home partner, and community members, reflecting on 25 years of collective action and looking ahead to deeper collaboration with the community.

The celebration, themed "Sensory Restaurant on Wheels™", was attended by around 200 volunteers, community partners and participants. Centred around the concept of inclusive dining, the event was organized in partnership with The Project Futurus and brought the traditional dim sum experience to elderly people, children, caregivers, and other participants from eight community organizations. Regular and soft-meal dim sum options were offered to cater to different dietary needs, enabling participants with different needs to share and enjoy the same dining experience together.

The annual volunteer awards presentation was also held during the celebration, recognizing volunteers for their longstanding dedication and contributions. Awards included the "Top Service Hours Achiever Award," "Long Service Award" and "Junior Volunteer Excellence Award."

Established in 2001, the CTFS Volunteer Alliance has work alongside community groups and charitable organizations for 25 years, supporting initiatives spanning elderly care, youth development, environmental protection, diversity and inclusion. It has evolved into a platform that connects employees and their families with community partners to understand needs, share resources, and take action together. To date, the Volunteer Alliance has collaborated with more than 100 partners, contributed over 266,000 volunteer service hours and benefited more than 213,000 people.

Building on these longstanding partnerships, the Volunteer Alliance launched the VA25 Community Partnership Programme to mark its 25th anniversary. VA volunteers selected five community partners, namely Feeding Hong Kong, Food Angel, Heep Hong Society, Hong Kong Christian Service and Ronald McDonald House Hong Kong, to collaborate on 25 theme-based volunteer activities in 2026. The programme focuses on reducing food waste, promoting inclusion, supporting children and families, caring for elderly people and strengthening community connections. The VA25 Community Partnership Programme have mobilised more than 250 volunteers, contributed over 1,300 service hours and reached an estimated 12,400 beneficiaries.

Jim Lam, Executive Director, Group Chief Operating and Financial Officer, and Chairman of the ESG Management Task Force of CTFS, said, "Over the past 25 years, the selfless dedication of every volunteer and the strong partnerships we have built with our community partners have been instrumental in the continued development of the CTFS Volunteer Alliance. This important milestone not only reflects the journey we have shared but also marks the beginning of a new chapter. Looking ahead, we will continue to leverage the platforms of the CTF Services Charity Foundation and the Volunteer Alliance to further strengthen connections between the corporate sector and the community. Together with our colleagues, volunteers and community partners, we will respond to community needs, share resources and advance community initiatives that create lasting impact."
